

ANIE Math Assessment

Domain/Strand: _____

Name: _____

Standard/Outcome: _____

Grade: _____

Date: _____

Problem:

Make your best guess: _____

Explain your strategy: _____

Show how to solve:

Calculate

Draw a Sketch

Explain your calculation or sketch.

Give an example of how to use the math in real life.

Reflect on your thinking:

What was easy/hard?

What have you learned?

Strategies & Approaches:

1 2 3 4

Calculation:

1 2 3 4

Representation:

1 2 3 4

Application:

1 2 3 4

Total:

1 2 3 4

- ◆ Estimating
- ◆ Grade appropriate approach
- ◆ Reflection

- ◆ Procedures
- ◆ Accuracy

- ◆ Clarify and explain concepts and solution

- ◆ Applies mathematical concept to a "real life" situation
